

Admission - Getting Started

General Admissions - USAScholars Programs Bachelor's Admission Requirements

For a bachelor's degree program, you must have a high school diploma or equivalent. The admission may offers your prior coursework, elective classes, major studies and credits awarded through the Assessment of Prior Learning or the College Level Examination Program (CLEP) will be considered for academic credit. If you have had professional training or have served in the military, you may be able to convert previous experience into academic credits.

Master's Admission Requirements

For master's degree program. You will need an undergraduate degree from a regionally accredited college or university, or one that is a candidate for accreditation. A comparable degree from a recognized institution outside of the United States is also acceptable. USAScholars University requires you to have a minimum cumulative grade point average of 2.5 and at least three years of significant work experience.

Doctoral Admission Requirements

The USAScholars University - Online doctoral program requires you to be employed and have at least three years of full-time professional work experience, including supervisory or managerial experience. You will need a master's degree from a regionally accredited college, university, or one that is a candidate for accreditation, and you must have a minimum cumulative grade point average of 3.0 or better. In addition, you must be able to fulfill a residency requirement of eight days in year one, three days in year two, and eight days in year three.

Application Process

Since every student is unique and has different needs, USAScholars University Online assigns an experienced Admissions Counselor to work closely with you to streamline the process of returning to school.

If you would like to attend USAScholars University Online, simply complete our Information Request Form. An Admissions Counselor will then provide you with an information packet and answer all your questions regarding programs, start dates and the application process.

You will receive your Admissions Counselor assignment online, by phone or by e-mail, depending on how you contact us. Application materials and financial aid forms are provided after an informal interview with your advisor. After receiving your application and fees, your Admissions Counselor, will process your application, ship your software, help you order your textbooks and course materials, and get you into class.

(Note: Applicants are responsible for ensuring the completion of their admission file. No applicant will be formally accepted for admission until the admission file is complete.)

To get started today, complete our Information Request Form or call at 800-999-999 or 703 321-0033

International Students

USAScholars's main philosophy focuses that an effective business education must be global in scope, we encourage the participation of qualified international students in our programs. With a very special designed program for international students at USAScholars University - Online, International Students are able to take advantage of cost effective of online communication's most compelling advantages and offer a true cross-cultural environment as part of the online experience.

All of our classes are taught in English and require proficiency in English. The TOEFL, TOEIC or IELTS examination are required of applicants whose native language is not English. The TOEFL is given in computer-based and paper-based format. The applicant must have a minimum TOEFL score of 213 computer-based or 550 paper-based.

All academic records from countries other than the United States must be evaluated by the evaluation service approved by USAScholars University. The evaluation services follow standards approved by the National Council on the Evaluation of Foreign Credentials. If the academic records are in another language, a certified English translation is required. The University will accept translations from the issuing institution or an official translation service.
